Experience the

Mississippi River

Civil War, Cannons & Chains at Columbus-Belmont State Park, Historical Markers, Museums, and Native American Archaeological Sites at Wickliffe Mounds tell the story of Kentucky's National Scenic Byway Great River Road.

Enjoy beautiful scenic overlooks and sightings of bald eagles along the Mighty Mississippi River. Experience lip-smacking, juicy steaks, famous, tasty meatloaf, legendary, slow-smoking BBQ, and try

the local flavor of grilled, baked, fried, blackened, or Cajun catfish. Best of all, feel the Hospitality at one of our 65 Festivals, Events, or Gatherings – nothing like a 1-ton banana pudding, cannon volleys, pecans, arts & crafts, and a night parade of lights.

Travel the KY Great River Road Region for unique gift opportunities.
