OHIO Amish Country 2023

Welcome to Ohio Amish Country! Whether you're looking to immerse yourself in a rich culture, hop on a tour, enjoy a little comfort food or find your bliss away from the everyday, we've got something for you. Before browsing our 2023 Map & Visitor's Guide, here's some insider-information to keep in mind as you plan your stay.

Using GPS

Most map programs work better when abbreviated routes are written out (SR to State Route, CR to County Road, TR to Township Road). However, some GPS units will still not recognize them. This can be solved by using "Highway" instead of "Road."

Sharing the Road

Sharing the road with buggies and farm equipment is often new to tourists. To enjoy a safe trip in Amish Country, here are a few tips:

- Use caution and avoid accelerating at the top of hills.
- Be aware that Amish Country's winding roads can create blind spots.
- Anticipate left-hand turns made by horse-drawn vehicles into fields and driveways. If a driver's arm is fully extended, this is a left-hand turn signal-not a signal for you to pass.
- When passing on a rural road, keep in mind the road may be narrower than city streets. Loose gravel can be hazardous. Pass slowly only when safe and on a reasonably open stretch of road.

Contrasting Locations

In our rural area, a business with a Millersburg address may actually be located in Berlin, or a Sugarcreek address may be closer to Walnut Creek. We recommend reviewing our map or using GPS to avoid confusion. That's it! Begin planning your next getaway.

Indoor hatchet throwing, simply put, is the experience of throwing an axe at a wooden target. Axe throwing leagues do exist, and our club is recognized by WATL (World Axe Throwing League). At our venue, a coach is assigned to every lane, who instructs and assists throwers. While many axe throwing establishments enjoy a rugged sports bar atmosphere, you'll find that the feeling is different at Hatchet Club. Our guests should expect a refined, lounge-like experience, all while practicing the gentleman's sport of hatchet throwing.
