

## Pedestrian Safety

is critical along the Byway. We have many families who enjoy walking to locations along A1A. Always be aware of pedestrians and observe laws which require vehicles to stop for those at crosswalks.

## Safety Tips for a Safe Stay Along A1A

## Welcome to the A1A Scenic & Historic Coastal Byway!

Let us help you enjoy your visit safely.

## Boating and Beach Safety

Boating along the Intracoastal Waterways are popular destinations for our locals and visitors.

Safety is always our number one priority for the boaters and the wildlife that inhabits our area. Please pay attention to your surroundings, channel markers and no wake zones. Having a boating plan before heading out and checking all safety equipment is important.

Heading out to our beaches, we encourage you to swim in areas patrolled by lifeguards and pay attention to posted conditions. Rip currents may be present.

## Cycling Safety

The A1A Scenic & Historic Coastal Byway is a favorite recreational area for cyclists.

State law allows cyclists to utilize roadways in addition to bicycle lanes.

We encourage you to wear bright colors and a helmet for your safety.

For more information, visit [www.alerttodayflorida.com](http://www.alerttodayflorida.com)

The Friends of A1A Scenic & Historic Coastal Byway and its partners present these safety tips for informational purposes only and are not responsible for their development. The user of this brochure is directed back to the safety authority websites referenced throughout this document further specific guidance on the activities listed.

## Motor Vehicular Safety

Speed limits frequently change along the A1A Byway!

- Observe posted speed limits
- Watch for pedestrians and cyclists crossing
- Avoid distracted driving by pulling over to check directions or location

## Cycling/Pedestrian Safety

We have many visitors to the area. Maximize your safety when enjoying the outdoors!

- Use bicycle lanes or multi use paths when available
- Wear bright colors
- Look before crossing at crosswalks or on A1A to ensure traffic has stopped or you may safely cross

## Boating/Beach Safety

Enjoying our beaches and waterways requires awareness and a little planning.

- Boaters – watch for boats and observe safety precautions
- Have a boating plan before setting out on your adventure
- Beaches- swim near lifeguards
- Observe posted beach conditions
